FULL PALETTE OF FLAVORS

This kitchen machine is designed to relieve you from the many hassles in the kitchen. Chop, grate, mix - just recollect all the verbs of the preparation of food and the unique kitchen machine will obediently follow the chef's orders. Bundled with our modest genius kitchen - a lot of accessories for various tasks, and recipe book - a guide for beginners to the world of its automatic cooking. And we are sure that you will appreciate our self-cleaning function of the machine.
